Messrs. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's l'incture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, eaq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a falling state of health, but now a hearty, hale appearance, with the activity fyouth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I was twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as as afe and efficient remedy.

TO THE PUBLIC.

THE PUBLIC.

The undersigued, a banished soldier from Hungary for his efforts to free his native land from the yoke of bondage and tyrannical oppression that surround it, will ever feel deeply grateful to the American people for the sympathy they have evinced towards him and his compatriots. Having determined to become a citizen of, and to rear his children in, this great Republic, it is necessary for him to engage in business to support and educate his family; and therefore begs to inform the public that he has commenced the CIGAR and TOBACCO business on the south side of Pennsylvania avenue, between 4½ and 3d streets, where he will keep a supply of the best Havana Cigars, and Chewing and Smoking Tobacco, of superior quality, as he has made arrangements to import direct from Havana. He trusts that the lovers of such articles will give him a call, and judge for themselves.
